Rental dates:

When selecting a rental date/s, please note that many of the sites are used for park-wide activities throughout the year, especially from Memorial Day through Labor Day. Event Rental Requests will be reviewed with park schedules to confirm there is no conflict with park-wide events.

Event rentals for weddings are usually encouraged to be in September and October, after Labor Day and before the October "work weekend" dates. Exceptions to this policy must be approved by the OFRC Board of Directors as well as any other recreation or maintenance committees potentially impacted by the event. Additional cleaning costs may also be charged.

For insurance reasons, renters, their guests, and vendors will not be able to access event sites prior to or following the dates specified in this agreement (for example, items cannot be dropped off prior to the contract start date or picked up after the contract end date) so please make sure the dates requested include set-up and clean-up dates and times.

Rental times: Renters may choose to rent the facilities for the following time periods:

- ½ day rental (continuous 6 hours starting at a time that the renters may choose but no earlier than 8 a.m. and finishing no later than 11:59 p.m.)
- 1 full day (16 hours starting at 8 a.m. and ending by 11:59 p.m.), or
- 3 days (three consecutive days, each day starting at 8 a.m. and ending by 11:59 p.m.)

Requested rental period:

Starting: _____ am/pm on _____

Ending: _____ am/pm on _____

If different rental periods are requested for several sites under one agreement (for example one site as a 1 full day rental, and another site as a 3 day rental), please clarify that here:

For all event rental sites except the picnic areas, the maximum number of guests is 140. For Picnic Area #1, the maximum number of people is 240, and for Picnic Area #2, the maximum number of people is 160.

Number of guests expected at event: _____

ENTRY INTO PARK AND GUEST AND VENDOR PARKING

A gate code is necessary to enter OFRC. Two weeks prior to the scheduled event, the OFRC Sponsor or Renter must discuss with the OFRC Designate how entry into the park will be managed for the event guests. It is recommended that the OFRC Sponsor or Renters authorize someone on their guest list to remain at the gate when vendors/guests arrive and open the gate using the gate code allowing each vendor/guest entrance to the Park. The gate may not be left open at any time. The OFRC gate code may not be printed on invitations. OFRC may not be named in a published invitation or obituary that may result in attendance by uninvited guests.

Directional Signage is permitted (and encouraged) near the front gate and along the road to the event location for guests who are not familiar with OFRC. However, it may not be placed on trees, shrubs, or existing signs. All decorations/signs must be removed by the end of the rental period. OFRC Sponsor is responsible for informing vendors and guests to observe OFRC speed limits and parking requirements.

Parking is available for guests in the fields in front of the picnic area. Limited parking is also available in the marked spaces near the Gazebo and the Center (by the store). OFRC Sponsor/Renters may want to consider hiring parking attendants to help direct guests where to park (especially if the event is for 100 or more guests).

Unloading equipment must be done at the rear of the Clubhouse, making sure not to block roadway or maintenance building entrances. If the event includes the use of food trucks, please speak to the OFRC Designate about where the food trucks should be parked before and during the event. No electrical access will be available for food trucks.

EVENT SITE SET-UP, CLEANING INFORMATION AND FEES, AND REQUIRED REFUNDABLE CLEANING DEPOSIT

Prior to Renter/s arrival, OFRC will ensure that all event sites are clean and included equipment (OFRC provided tables, chairs, etc.) have been delivered to the event site. If Renters would like to move the provided OFRC equipment they will need to do so after their arrival and at their own expense. The OFRC Designate will work with the Renter/s to find a convenient location to store any OFRC equipment.

If Renter/s need additional equipment (tables and chairs, for example) beyond what is currently available at the site being rented, it is the Renters responsibility to arrange with an external rental company to have that equipment delivered to OFRC. Equipment available on one rental site cannot be used at another rental site (for example, tables and chairs located in the clubhouse cannot be moved and used in the arboretum).

By the end time indicated in this rental agreement, event sites must be cleaned, all decorations and trash must be removed, and the premises must be vacated (including catering equipment). OFRC Sponsor/Renter is responsible to leave facilities clean and in the same condition as when Renter took possession.

Walk-Through Dates and Times: OFRC Sponsor or OFRC Sponsor's Authorized Representative, will conduct an initial and final walk-through inspection with OFRC staff.

- Requested walk-through time at the beginning of the event: _____am/pm on_____(date) by_____ (name of OFRC Sponsor or Authorized Representative).

- Requested walk-through time at the end of the event: _____am/pm on_____(date) by_____ (name of OFRC Sponsor or Authorized Representative).

When assigning a responsible adult to act as an OFRC Sponsor's Authorized Representative, it is important to note that this provision does not remove or limit the OFRC Sponsor's liability/responsibility in any way.

If renting the OFRC Clubhouse, keys will be given to the OFRC Sponsor or Authorized Representative during the initial walk-through on the rental commencement date. At the end of the rental period the keys are to be placed in the drop box located outside the Club's offices. There is a $25 charge to replace lost keys.

Cleaning Requirements for Specific Sites:

- Clubhouse: When using the clubhouse, please remove and dispose of all decorations and wipe down all tabletops and chairs. Floor must be swept, and spills cleaned. If the Clubhouse kitchen is used: all dishes, silverware, glassware, and kitchen equipment must be washed and returned to their original location. Items will be inventoried before and after use, OFRC Sponsor is responsible for the cost of replacing any missing items. Rinse out coffee makers and wash the stems and baskets. Wipe down all appliances used for the event, including stove top and oven if used for heating and warming. Clean sink. Wipe cabinet doors and counters. Sweep and mop kitchen floor. Remove all personal articles, including items from refrigerator and freezer, and wipe clean. Note: Food products previously left in refrigerator and freezer are to remain for future OFRC events.
- Picnic Areas: If the OFRC barbeques in the picnic areas are used, an event rental agreement must be completed. All grills must be cleaned and ashes safely removed to ash dump areas located at refuse center after the event.
- Restrooms (including Beach Restroom near the Stage): Pick up and dispose of all paper on floor. Wipe sinks and counter tops.
- Arboretum: Remove and dispose of all decorations. Clean all tabletops and chairs/benches. Cement deck must be swept, and spills cleaned.
- Gazebo, Stage, Picnic Areas: Remove and dispose of all decorations. Clean all tabletops and chairs/benches.

Garbage and Recycling: All garbage, recycling and composting materials generated during the event must be sorted and deposited in the correct bins at the OFRC garbage and recycling building by the end of the event agreement. OFRC will be fined by the Sonoma County refuge collection agencies if waste is not properly handled by the Renters or their vendors (including caterers and food trucks). If that occurs, those fines will be passed along to the OFRC Sponsor. Food truck vendors may not drain any water or other liquids anywhere in the park.

Cleaning Deposit: All event rentals will require a refundable Cleaning Deposit in the amount of $300 per event which will be paid with the final rental payment five months (150 days) prior to the event. OFRC Sponsor will be responsible for the cost of any additional required cleaning, cost of any damages, missing items from Clubhouse kitchen, and/or staff time to address these issues. As noted above, event sites will be inspected by OFRC Sponsor/Renter representative and an OFRC staff member prior to and after use to review the status of the event sites. The Cleaning Deposit refund is contingent upon the condition of the facilities that have been rented at the end of your event. Any refundable fees will be returned to the OFRC Sponsor (either as a credit card refund or check) within 30 days of the event. Any damages exceeding the Cleaning Deposit will become an expense of the OFRC Sponsor and will be handled in the same manner as other membership fees as prescribed by the OFRC Club's Bylaws.

50% DISCOUNT FOR OFRC PRIMARY MEMBERS AND THEIR IMMEDIATE FAMILY

Event rentals are considered one of the benefits of being a member of OFRC. Every event rental requires an OFRC Primary Sponsor, but if the direct renter/s are OFRC Primary Members or part of the OFRC Primary Member's immediate family (please see Article XIV, Section 4, of the OFRC Bylaws for the definition of Immediate Family Members) then the renter/s will receive a 50% discount on all rental prices and Site Fees (excludes Cleaning Deposit and any other fees).

SERVING ALCOHOLIC BEVERAGES

By law, no one under the age of 21 may consume or taste alcoholic beverages. OFRC Sponsor and Renters agree and warrant that there shall be no consumption of alcohol by persons under age 21. Further, OFRC Sponsor shall monitor all service, if any, of alcohol and specifically acknowledges that OFRC Sponsor is solely liable for the consumption of any alcohol by any person on the premises and that such liability shall extend to any aspect regarding the consumption of alcohol. OFRC reserves all rights to respond to underage drinking, intoxication, and/or abusive behavior associated with event participants including asking guests for identification to verify age, calling the Sheriff, having a person or persons removed from the premises, or asking the entire party to leave if (1) a minor is consuming alcohol; (2) an adult is providing alcohol to a minor; (3) a guest or guests appear intoxicated and refuse to leave the premises, and (4) a guest or guests appear to be behaving in an improper or abusive manner.

OFRC has a seasonal liquor license issued by the California Department of Alcoholic Beverage Control (ABC) that only allows the sale of alcohol or "hosted" beverages in the Clubhouse, Arboretum, Center (in front of the Store), Stage, and the Gazebo/Flagpole area. Renters must abide by all rules and regulations associated with the OFRC liquor license. Only beer and wine/champagne may be served.

If the Renter/s hire bartenders, caterers or a similar type of company that will serve alcohol at their event, that company must obtain their own liquor license with the California ABC for the specific Renter/s' event and date. Renters must notify OFRC Designate at least one month (30 days) prior to event if they are hiring a company to serve alcohol so that OFRC can submit the paperwork to temporarily surrender the OFRC liquor license (for that date/time only) as required by the California ABC.

All persons serving alcohol (including members, guests, caterers, bartenders and other vendors) must comply with all ABC requirements and the regulations of OFRC's liquor license, including completing any required RBS training.

Members may provide alcohol for their own private consumption and that of their guests with no charge to their guests at their own sites and park areas not included under the OFRC liquor license. (As noted earlier, "hosted" alcohol service must follow OFRC's liquor license policies).

Alcohol may only be served during the following times:

- Sunday through Thursday: 8 a.m. thru 11 p.m.
- Friday and Saturday: 8 a.m. thru 11:30 p.m.

Alcohol must stop being served 30 minutes prior the end of an event (not including the clean-up time). OFRC requests that all kegs be stored on rubber mats to avoid damage to floors and that glass bottles be safely stored and recycled to avoid the risk of injury on broken glass.

In addition to security guards provided by OFRC Sponsor/Renter (see Security section below), OFRC Sponsor/Renter agrees to have a designated Sober Monitor appointed for every 25 guests in attendance.

SECURITY

For events going beyond 6 pm and serving alcohol, OFRC Sponsor/Renter must obtain security coverage. There must be at least one security guard for every 100 guests. Guards must remain onsite starting when alcohol is first served until all guests have departed the event sites. Security guards must ensure safety for guests, hosts, vendors, members, and OFRC staff. In addition, they need to enforce OFRC's no smoking policy, alcohol policy and prevent property damage.

Security personnel must be from a licensed and insured security company and approved by OFRC. Proof of security coverage must be provided to OFRC no later than one month (30 days) prior to the event. If Renter is unable to meet this requirement, event will be cancelled, and cancellation fees will apply. Security contract must include vendor contact information or OFRC Sponsor/Renter shall separately provide vendor contact information to the OFRC representative so a copy of the regulations applicable to the rented event sites can be sent to the security vendor.

OFRC Sponsor and Renters acknowledge that although the purpose of this security provision is to protect the safety of OFRC members, guests, and property, provision of security services does not release the OFRC Sponsor from responsibility for the actions of OFRC Sponsor and Renter's guests or vendors. OFRC Sponsor retains liability for actions of guests and vendors including, but not limited to, damage to OFRC property.

VENDORS HIRED TO WORK AT EVENT

Renters and/or OFRC Sponsor will be held responsible for all vendors and their staff hired for the event, including compliance with the rules set forth in this agreement. A list of all vendors must be provided to OFRC Designate one month (30 days) prior to event date.

It is highly recommended that vendors visit the park in advance of the event to get an understanding of layout, amenities, parking, etc. Arrangements for this should be made with OFRC Designate prior to the vendor's visit.

If OFRC Sponsor/Renter is using the Clubhouse, please note that outside caterers are not permitted to use OFRC or Recreation Auxiliary Clubhouse kitchen equipment, Audio/Video equipment, linens, dishes, electrical appliances, utensils, etc., located in the OFRC Clubhouse and/or kitchen area. OFRC Sponsor/Renters renting the Clubhouse without an outside caterer may use the kitchen wares in the Clubhouse kitchen.

EVENT INSURANCE

Renters are responsible for obtaining liability insurance for a minimum of $1,000,000 (general aggregate) for the entire duration of the event agreement. Odd Fellows Recreation Club must be named as "additional insured" on the insurance policy. Insurance must cover general liability, fire damage, personal injury, and damage to rented property. A copy of the Certificate of Insurance and the policy endorsement must be delivered to an OFRC authorized representative one month (30 days) prior to the start of the rental period. If OFRC Sponsor/Renters are bringing in vendors for their events, the vendors are required to show proof of insurance as well by submitting a copy of their liability insurance to OFRC no later than one month (30 days) prior to the event date. If OFRC Sponsor/Renter is unable to meet this requirement, event will be cancelled, and cancellation terms will apply.

The only exception to the event insurance requirement is if OFRC Sponsor/Renters are hosting an event of 50 people or less and no alcohol is being served or BBQs being used.

GUEST LIST POLICY

In order for OFRC to maintain its private park status, Renters must provide the list of all guests expected to attend the event to the OFRC Sponsor. OFRC Sponsor must approve this list and then submit it to the OFRC Designate no later than one month (30 days) prior to the event. If the guest list is not submitted to the OFRC Designate in time, the event will be cancelled, and cancellation fees may apply.

ADDITIONAL CONSIDERATIONS

- **Property Damage or Theft: If any kind of property damage or theft occurs to park facilities or member cabins/sites during the duration of the event agreement dates and damage/theft is determined to be associated with activities related to the event, the OFRC Sponsor will be held financially responsible for any repair or replacement of items damaged or stolen.**
- Lodging: OFRC offers 13 cabins along the river's edge for rent as well as campsites and RV space rentals. If OFRC Sponsor or Renter/s are interested in reserving any of the cabins or campsites for guests, please contact OFRC Designate about that as soon as possible. Lodging rentals are separately managed from event site rentals at OFRC and are not covered by this contract. Lodging rentals are not required for event site rentals. If you are renting any event sites as a 3-day rental, the six-night minimum rental for cabins will be reduced to a two-night minimum stay as long as you are renting at least five cabins/campsites/RV spaces.
- Decorations: Decorations should be attached to structures using only non-damaging fasteners. No nails, staples, screws, thumb tacks, packing tape, duct tape, glue, etc. are allowed. The only tape that can be used is painters' tape (often referred to as "blue tape"). Glitter, confetti, rice or birdseed are not allowed.
- Music/Sound: Event may include the use of a sound system (not provided by OFRC) including a system used by a DJ or musicians in all rental sites except the picnic areas. No amplified music allowed in the picnic areas. OFRC Sponsor agrees to control the sound level of the event. Music must conclude by 12 A.M. midnight.
- Lighting: Most of the sites have some exterior lighting but may not provide the level of light needed for the Renters' event – so Renters may want to rent additional lights. If used, they must be positioned in such a way that they do not disturb anyone staying in the cabins or campgrounds and that they are positioned on hard, stable surfaces.
- Restrooms – the Clubhouse has dedicated restrooms, but all other areas are serviced by the beach bathroom facilities (men's room with three toilets, women's room with three toilets, family bathroom with one toilet).
- Fire Safety: Due to the high fire danger in the park, no smoking is allowed in or near the event sites or rental lodging areas. This includes tobacco and cannabis cigarettes, cigars, e-cigarettes, and vaping products. In addition, no "open flame" candles are permitted. Fires are not permitted in the Clubhouse Fireplace or the Stage Area fire pit.
- Child Safety: Children under the age of 12 who are attending events must always be under the direct supervision of an adult 18 years of age or older in all areas.
- Pets: Pets are not permitted in event rental site areas.

- Heaters: OFRC tends to get chilly at night, even in the warm months. Renters may want to consider renting propane heaters. Propane heaters must have the appropriate safety screens to prevent accidental fires and can only be located on hard, stable surfaces. OFRC propane tanks and heaters are not available for rent.
- Other Equipment Rental: OFRC highly encourages renting any additional equipment that Renter/s might need including chairs and tables to personalize your event and supplement the items at OFRC. Please contact OFRC designate for recommendations of local rental companies. If you decide to rent equipment from an outside company, please make sure to confirm your agreement rental dates and insurance covers the rental company's drop off and pick up times.
- Refrigerator Use in Clubhouse: We have had issues in the past with items being stored too close to fans located on the interior back and side walls of the refrigerator. Blocking these fans has caused expensive damage. Please avoid storing any items in the refrigerator near the fans.
- Cell Phone Service: Please be aware that some event sites do not have cell phone service.
- Wi-Fi: OFRC has Wi-Fi service available for renters and guests. Please contact OFRC Designate for network name and password.
- Generators: Generators are not allowed.
- Event Type Restrictions: Event sites may not be used for fundraising purposes that do not benefit OFRC. Commercial solicitation and transactions are prohibited.

MODIFICATIONS TO CONTRACT/SPECIAL REQUESTS

Any special requests or changes to this agreement must be made at least two months (60 days) prior to the event. OFRC reserves the right to refuse any changes made later than that date.

EMERGENCY CONTACT DURING EVENT

In case of an emergency during the event, a contact person must be available throughout all hours of the event. If this person is different from the OFRC Sponsor/Renters, please provide the name and contact information below.

INDEMNIFICATION

In consideration of the permission granted by OFRC to the OFRC Sponsor and the Renter/s, the OFRC Sponsor and the Renters agree to protect, defend, indemnify, and hold harmless Odd Fellows Recreation Club (OFRC), its members, directors, officers, and employees from any claim, action, or proceeding brought against any of the foregoing individuals or entities resulting from the use of the OFRC grounds and facilities. This indemnification shall include, but is not limited to, any claim, liability, loss, or damage arising by reason of (1) personal injuries or property damage caused by either the condition of the premises or some act or omission of any use of the premises; (2) the OFRC Sponsor's and/or the Renters' failure to comply with any provision of the agreement or with any requirement of the law; or (3) any matter connected with the OFRC Sponsor or Renter's occupation and use of the OFRC event sites. If for any reason, any portion of this indemnification agreement is held to be void or unenforceable by a court of competent jurisdiction, the remainder of the agreement shall remain in full force and effect.

OFRC will not be held responsible for any financial impact of events outside of OFRC's control (for example, Renter's loss of deposits on equipment or services that need to be canceled due to evacuations for fire and flooding or a PG&E outage).
