Reservation Booking Guide

Follow these step-by-step instructions to successfully book your cabin or campsite reservation.

Step 1: Access the Reservation System

- Using a computer, tablet, or phone with a stable internet connection, visit **www.ofrcnews.com**.
- Click on **"Reservations"** or go directly to the **OFRC Reservation Platform**.

Step 2: Search for Availability

- On the left-hand side of the page, enter your reservation details — preferred dates, number of guests, and any other relevant information.
- Click **"Search."**
- Be sure to review all **site and seasonal restrictions.**
- Pay close attention to:
    - Check-in/check-out days
    - Minimum night requirements
    - Site-specific restrictions (see the **Reservation Policy, Terms, and Conditions**)

Cabin-Specific Rules:

- Cabins require a **6-night minimum stay.**
- **Check-in:** Friday | **Check-out:** Thursday
- If you do not use these dates, cabins will display as "No Arrivals."
- Thursdays are blocked for cleaning; if you select Thursday as a check-in date, the system will show "Occupied."

Multi-Week Cabin Bookings:

- To book consecutive weeks for the same cabin, add each week separately (as Thursdays are blocked).
- The **Guest Services Coordinator** will add back the Thursday night and refund the duplicate cleaning fee for 2+ week stays.

Step 3: Review Options

- Browse available sites and use the sidebar filters for quicker selection (best viewed on desktop or tablet).
- Pay attention to **site type and amenities.**
    - Main Campground: **20-Amp Service**
    - RV Section (behind Bocce Courts): **30-Amp Service**

Step 4: Select Your Choice

- Choose your preferred accommodation and click **"Add."**
- You may add multiple sites to your cart before checkout.
- Select **Travel Protection** (optional), then click **"Check Out."**

Step 5: Guest / Purchaser Information

- Enter your **first name, last name, address, and email address** accurately.

Step 6: Add Vehicle or RV Information

- Provide the following for each vehicle or RV:
    - Type, color, length, and license plate number.
- Include details for multiple vehicles if applicable.

Step 7: Review Your Booking

- Carefully review all reservation details (dates, site, accommodation type).
- Click **"Continue."**

Step 8: Review & Sign Policies

- Review and sign the **Cabin and Campground Rules** and **Reservation Terms.**
- Click **"Agree and Continue."**

Step 9: Payment

- Choose your payment method.
- Enter payment details and review the summary.
- Click **"Finish"** to complete your booking.

Step 10: Confirmation & Sponsorship Paperwork

- Once payment is processed, you'll receive a **pending confirmation email** with your reservation details.
  Important:
  - The email includes **two links** — one for Sponsorship Paperwork and one for Rules.
  - You must complete **both** forms.
  - You will need your **Sponsor's name and email address.**
- Check your **junk/spam folder** if you don't see the email.
- Add **communications@resnexus.com** to your contact list to ensure future communications are received.
- Save or print your confirmation for your records.

Step 11: Sponsorship Paperwork Steps

- Your reservation paperwork is **not complete** until your sponsor has completed **their** portion.
- Your sponsor will not receive their sponsorship email until **you** submit your guest sponsorship form first.
- Double-check your sponsor's email address for accuracy.

Once you submit your paperwork:

- Your sponsor will receive an email titled:
  "ACTION REQUIRED: We have received an OFRC sponsorship request from [Guest Name]."
- Let your sponsor know to look for this email.
- The sponsor will be directed to the **"Sponsorship Agreement (completed by member)"** link in the email, where they'll fill out the online form.
- They'll need to reference the reservation details (dates, site, guest name, and email address).

Congratulations!

Your reservation is successfully booked.
